See, smell, taste and experience safari like
never before.

Welcome to Labadi restaurant

Immerse yourself in the adventurous atmosphere of an African fishing village. The chefs invite you to taste the tastiest meat and fish specialities.

Once the floats are hauled in from the calm water and the fish traps hang from the ceiling to dry, the catch of the day is prepared for you. Tantalise all your taste buds and chat about all the adventures you had today. As the sun slowly sets on Lake Victoria, imagine yourself along the shore of this enchanting place.

If you look closely, you will also discover that this is not just another fishing village; mischievous monkeys hide in the trees. Not only here in Labadi, but all along the coast of this African region. Oh, and psst... have you counted how many of these mischievous monkeys have hidden in the trees?

Enjoy the beautiful view, share the best stories and be surprised by the delicious dishes the restaurant has to offer.

See, smell, taste and experience safari like never before.
