like never before.

At Beekse Bergen we show you, and let you experience, the beauty of nature. In order to protect that nature, we try to make as many aspects of our parks as sustainable as possible. That is why a number of sustainable products are available in our restaurant, such as organic and Fairtrade products and products with the 'Beter Leven' (Better Life) quality label. Safari Resort Beekse Bergen has obtained the highest achievable Green Key Gold certificate. This is the leading (international) eco-label for sustainable companies.
